OUR BRANDS

The **Barbon** brand has a history dating back 70 years, but it remains a leading brand in men's facial care today. **Shaving cream** is one of the basic elements of traditional shaving, but aftershave is also widely known.

Over the years, the design has hardly changed, so in 2024, the packaging of the entire Barbon product line was revamped. With the design change, we are preserving the classic features of the product while offering consumers a more modern, youthful product. The packaging of the products will feature the word "Classic," indicating that the Barbon product line has been expanded with additional members (**Sport**).

OUR BRANDS

Caola Foot powder 100 g

Caola Foot Powder is a high-quality foot care product that helps keep your feet healthy and fresh. With its unique formula and special ingredients, it is extremely **effective at combating foot sweat and unpleasant odors**, as well as **caring** for the skin on your feet. Its main purpose is to enhance the freshness and comfort of your feet. It helps eliminate unpleasant odors, absorbs moisture, and contributes to maintaining healthy skin. Caola Foot Powder is an essential part of daily foot care, especially during hot weather or after long days.

The ingredients in Caola Foot Powder have been carefully selected to ensure the best results.

- Its main ingredient is **peppermint extract**, which refreshes tired feet and soles, providing a pleasant scent and a dry feeling. It helps prevent excessive sweating, making it comfortable to wear with any type of shoe. It is an excellent **antiperspirant** for the feet during sports and in warmer weather.
- The **anti-inflammatory ingredients** in Caola Foot Powder also soothe irritation and inflammation on the skin of the feet.

OUR BRANDS

Caola refreshing foot caring gel 100 ml

A refreshing foot care gel containing natural active ingredients, specially formulated for people who want to keep their feet feeling fresh and comfortable—whether after a long day, after exercising, or simply as part of their general foot care routine.

Its rich, **moisturizing formula** helps **reduce dryness and dehydration** of the skin on your feet. It absorbs quickly, leaves no greasy residue, and has a pleasant, fresh scent. **Paraben- and dye-free.**

- **Calendula** extract and **panthenol** provide all-day hydration and immediate soothing relief for tired feet.
- Thanks to its **menthol** content, it refreshes and revitalizes tired feet. Menthol also provides a pleasant cooling sensation, while the gel absorbs easily into the skin, offering immediate relief. It also helps prevent unpleasant odors.
- **Natural eucalyptus oil** and other natural ingredients have **antibacterial** properties, so they can help prevent foot odor and the growth of unpleasant bacteria.
