STRENGTH PRECISION RELIABILITY

GEMTECH Ltd. is a highly dynamic, 100% privately owned industrial company specializing in the manufacturing of steel structures and machinery - primarily cranes. Since its founding in 2009, the company has been fully committed to delivering premium-quality services that meet the demands of both domestic and international markets.

With over 30,000 m² of enclosed, crane-equipped industrial halls, state-of-the-art technological infrastructure, and a team of highly qualified professionals, our company is a leading player in the fields of steel structure and machinery manufacturing, as well as construction.
