HOW CAN WE COOPERATE?

If you are a distributor, a wholesaler or a retail chain, our goal is to grow your business with our branded or private label products.

Our goal is not to sell products only but to build strategic partnerships on international level with relevant players from different countries.

DEVELOPMENT

New products:

Our company has started the production of dessert products, analogues in two hardnesses, cheese analogues and vegan products since the middle of this year.

Green energy:

Solar power plant capacity: 1.2 MW
+ 200 kW solar power plant and 1000 kWh containerized battery energy storage in progress

„QUALITY IS THE SOLID FOUNDATION OF OUR COMPANY,
THE PLEDGE OF OUR DEVELOPMENT.”
