ABOUT US

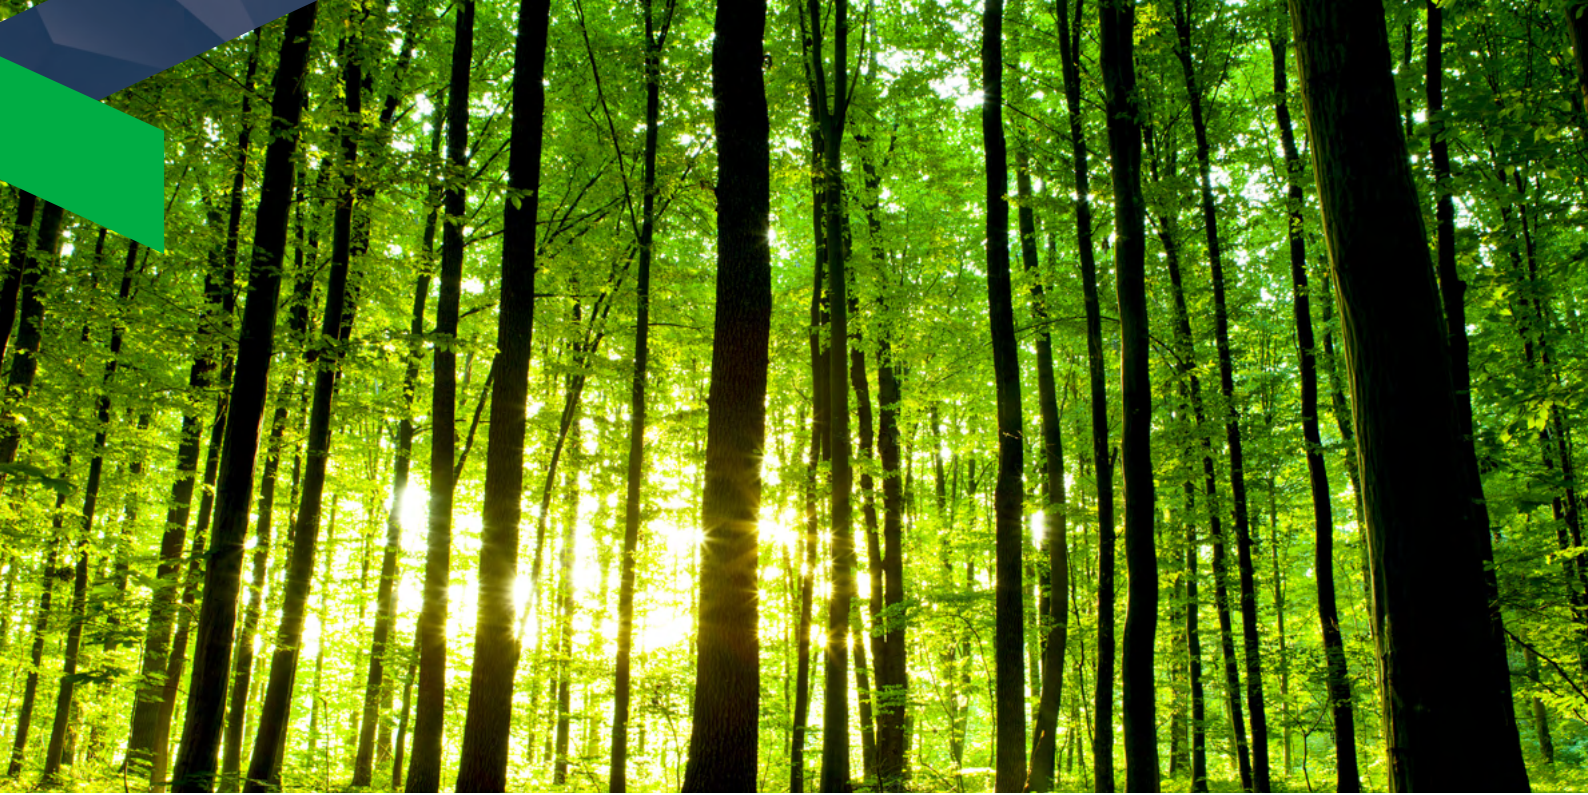

As a leading European manufacturer and trader of branded household and away-from-home hygiene paper products, the history of our group dates back to 1999, when we founded **Vajda-Papír Ltd.** as a family business. Now, **Vajda-Papír** employing around 650 people across our group of three Hungarian and one Norwegian plants.

Over the last two decades, **Vajda-Papír group** has become a market player with significant results also on the international scene due to a conscious strategy. In addition to sales in Hungary and Norway, the company's tissue paper products are shipped to more than 30 countries worldwide, and more than 50% of the Group's total tissue paper production is sold in export markets. In 2022 **Vajda-Papír** doubled its turnover at both its Hungarian and Norwegian subsidiaries, with a total turnover of more than 207 million EUR. The group's annual paper production is expected to exceed 150 thousand tonnes in 2023.

We are growing in a sustainable and dynamic way. Sustainability, green solutions and circular economy are important elements of our Group's vision. Therefore, we pay special attention to the innovative, efficient and sustainable operation, to the environmentally friendly production starting from product development through manufacturing and transport to sales. We strive to minimise our impact on the environment in all our activities:

- we produce our tissue paper from raw materials sourced from FSC® certified responsibly managed forests and other controlled sources.
- in paper production, 100% of material from chipping, edge trims and cut-offs which generated during processing are pulped again and recycled.
- with sustainable water and wastewater management gives us a proper biological treatment of water from paper production, which also increasing energy efficiency.
- our production technologies and processes adapted to the circular waste management system therefore our product packaging is 100% recyclable and contains 60% recycled material.

Even though **Vajda-Papír** is mainly known as household paper producer, in 2018 we have launched our new away-from-home division to target a new customer segment, the industrial market and present the **Oops! Professional** branded range, which contains high quality hygiene paper products specifically developed for HoReCa utilization.

SUSTAINABILITY

Using environmentally friendly solutions is one of the main principles of **Vajda-Papír**. Therefore, it is a main purpose for us to create a working environment in the most innovative way. In addition, our company follows and abides by the rules and regulations governing our activities, but we go beyond that by performing activities the environmental impact of which meets the strictest standards. We keep developing and training our staff; to take their professional skills into consideration when making decisions.

At **Vajda-Papír** we believe that production should also be environmentally friendly, so by making useful products at a competitive price, in a way that is both economical and have minimal environmental impact, using the latest advances in technology and logistics. Reusing production waste is also a high priority, e.g. during the production all base paper waste is being reused.

Ooops! Professional (KM30301799)

Face mask 3 ply, 50 pcs

FACE MASKS

Ooops! Professional Surgical face mask 3 ply Type IIR

BFE

Bacterial filtration efficiency is over 98%

Protection

Type IIR

Breathable

Three layers of protection, non-woven fabrics 25 gsm / layer

Comfortable fit

High elastic round ear loop, low pressure, ears more comfortable; better face sealing due to the longer 120 mm length of clip for perfect and comfortable fitting

Medical device

Type IIR

**Applicable standard
EN 14683:2019 + AC:2019**

Made in EU

- ✓ **Medical device**
Detailed technical documentation, authority registration
- ✓ **Regulated, controlled and validated cleanroom**
- ✓ **Comply with EN 14683: 2019 + AC: 2019 standard**
Laboratory report - according to EN 14683, Type IIR classified medical device
- ✓ **Made in Europe, made in Hungary**
- ✓ **CE marking**
EC declaration of conformity - medical device Class I.

Production line:

- ✓ Line: latest state of art technology (made in Europe)
- ✓ 600 masks/minute production capacity
- ✓ 300 million mask / year capacity
- ✓ automated primary and secondary packaging systems

Cleanroom:

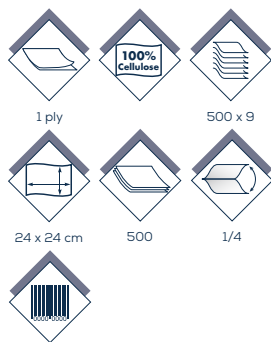

- ✓ verified Class ISO 8 level according to ISO 14644-1 standard (classification of air cleanliness)
- ✓ to eliminate the contamination risk
- ✓ to keep the material cleanliness

DISPENSERS

AC14000 (KVAD0011891)

EURO BOTTLE REFILL SOAP DISPENSER

- Refill dispensers, made of ABS
- Polyethylene deposit
- Non-drip and anti-corrosion valve
- Key lock (key provided)
- Lever made of inox steel
- Supplied with refillable bottle (empty)
- Content entirely visible
- Max. capacity 1000 ml
- 8427950327476

AC27050 (KVAD0011892)

"SMART" REFILL SOAP DISPENSER

- White ABS Push Button
- Refill ABS dispensers
- Key lock (key provided)
- Content viewer
- Push button integrated on cover
- Polyethylene deposit
- "Low Cost" range of products
- Max. capacity 1000 ml
- 8427950352188

AC70000 (KVAD0011831)

"AITANA" REFILL SOAP DISPENSER

- White ABS Push Button
- Refill dispensers made of ABS
- Non-drip and anti-corrosion valve
- Key lock (key provided)
- Content entirely visible
- Push button integrated in cover
- Transparent deposit made of SAN
- Max. capacity 900 ml
- 8427950300516

AD10000 (KVAD0011832)

INDUSTRIAL ROLL DISPENSER, WALL

- Entirely metallic
- Frame made of steel tube with diameter of 20 mm
- Serrated metal cutter, 1 mm thick
- Rolls up to 500 m
- Roll core of Ø 60/70 mm.
- Polyester electrostatic paint.
- Max. diameter 480 mm
- 8427950300554

DISPENSERS

AE57000 (KVAD0011805)

"SMART" ABS JUMBO TOILET ROLL DISPENSERS

- White ABS
- Toilet tissue dispensers, made of ABS
- Key lock, content viewer
- "Low Cost" range of products
- Reclining front cover
- Length/Max roll core Ø:
300 m/ Ø220 mm/ Ø45 mm
- Max. diameter 220 mm
- 8427950340086

AG17550 (KVAD0011893)

"AZUR" SENSOR ROLL TOWEL DISPENSERS

- White ABS
- Towel roll dispensers
- Activates by approaching hands
- Suitable for power or batteries
- Savings and hygiene: use/touch
- Key lock
- Reclining cover with content viewer
- Max roll/Core Ø: Ø 220 mm/ 40 mm
- Max. diameter 220 mm
- 8427950342769

AG47000 (KVAD0011806)

"SMART" CENTREFEED DISPENSER

- White ABS
- Centrefeed towel roll dispensers
- Key lock
- Reclining front cover with content viewer
- Roll delivered by base/centre
- For rolls up to Ø 200 mm, without core, non-perforated
- "Low Cost" range of products
- Max roll/Core Ø: Ø 205 mm
- Max. diameter 205 mm
- 8427950340109

AG56000 (KVAD0011894)

"AZUR" AUTOCUT DISPENSER

- White ABS
- Dispenses precut towels, 27 cm long
- Requires special perforated paper
- Manual operation of paper, exclusively
- Maximum hygiene: use/touch
- Prevents cross-contamination
- Internal cutter made of mild steel
- Security side wheel
- Key lock
- Reclining front cover, content viewer
- Maximum diameter of roll: 210 mm
- Roll: 210 mm maximum – 191 mm minimum
- Reduced cost, paper saving
- Core: 36 Ø minimum, 45 mm maximum
- Easy and quick to refill
- Latest technology in paper dispensers
- For places with high traffic of people
- Max. diameter 210 mm
- 8427950347511

DISPENSERS

AH37000 (KVAD0011807)

"SMART" "Z" FOLD TOWEL DISPENSERS

- White ABS
- Z-fold towel dispensers
- Key lock
- Reclining cover
- Hygienic: prevents cross contamination
- Content viewer
- For places with high traffic of people
- Capacity: 600 sheets
- 8427950340093

AH60000 (KVAD0061896)

"AZUR/FUTURA" FACIAL TISSUES DISPENSER

- Wall/table top facial tissues dispensers
- Detachable casing
- Tissues delivered by upper opening
- Designed for standard packages
- Luxurious and ornamental
- (FUTURA) Stainless Steel, bright of satin finish
- (AZUR) White ABS or Chromed, Blue or Smoked SAN. Can be customized
- Capacity: 1 Facial tissue box (100 sheets)
- 8427950302992

AH53000 (KVAD0121895)

NAPKIN DISPENSER WHITE, DARK BLUE, BLACK

- Cover, case and base made ABS
- Cover with hinges at both sides
- "Clip" closing system.
- Equipped with spring to adjust napkins gradually.
